Pitch Competition Application

The 5th Annual Kingston Syracuse Pathway Conference on Health Innovation will be held March 25-26, 2026 in Kingston Ontario. Included in the conference is a pitch competition held for Canadian and US-based early stage life and health sciences start-up teams. Five teams will be selected from applications received to participate. The winning team will receive a \$5,000 pitch competition award.

To be eligible, you must be early stage, have not received over \$1,000,000 in funding and you agree to participate in person at the pitch portion of the conference on March 25, 2026 at the Donald Gordon Hotel and Conference Centre. Pitch teams will have 5 minutes to pitch and respond to judge questions.
